He is sired by our great breeding bull by Glassingall Research. Regalia's dam is an imported Durno cow that is a part of Mather's permanent herd. The dam of this calf is a granddaughter of imported Tarbat Field Marshall, and his grandam traces to Pittodrie Banker, a Perth champion. Will be a herd improver.

HILLVIEW VIOLET MIST 52d -- A very stylish, dark red heifer that placed well wherever shown. Her grandsire has sired many of America's outstanding individuals. She sells bred to the 1953 International Congress Sale reserve grand champion, Bridegroom 16th.

ANNUAL PIKE COUNTY SHORTHORN BREEDERS' SHOW & SALE

LEVELDALE REVERIE. New herd sire in the Charles Harness & Son herd. Typical of the great bulls that consistently head pike County herds. In his first showing as a summer calf, Leveldale Reverie was the Reserve Grand Champion of the 1956 National Western at Denver. He was purchased for \$3,425 in the 1956 Mathers sale.

We need more associations like the Pike County Shorthorn Breeders. It is clear proof that neighboring breeders working together in a spirit of friendly competition and holding annual sales can get the most done to expand the breed. The activity of such an aggressive association not only provides a better market, but spurs everyone in the group to breed better cattle.

The remark often has been made by top cattlemen viewing the Pike County show of sale cattle, that the classes were the equivalent of state fair competition. Actually, Pike County breeders, the consignors to this sale, stand right up to the top when they choose to exhibit at the International, the Missouri State Fair, or other leading events.

Shorthorn history in Pike County goes back over 80 years of breed leadership. Nowhere is there concentrated in a smaller area more top rated sires. I have observed that buyers in Pike County sales get tremendous quality for their invested dollar. If you want to own breed tops, and have to watch the dollars you invest carefully, I can think of no better place to buy.

HIGHLAND AUGUSTA C -- This is probably the best heifer we have offered for sale. She has won her class at five out of seven county fairs. Was reserve champion at the Pike County, Missouri Fair here in Bowling Green. Stood tenth in a strong class at the Illinois State Fair.

The Pike County Shorthorn Breeders' Association offers special premiums for steer winners sired by a bull bred by or out of a cow herd by any of the members of this association. These premiums apply to the following fairs: Any state fair, American Royal, International, Denver, Fort Worth, Pacific International, Eastern National. A \$50 special premium is offered, either junior or open division, for champion Shorthorn steer, and an additional \$50 if that steer is the grand champion over all breeds.

The Pike County Association also provides premium money at the Pike County Fat Stock Show and the Pike County Fair.

In addition, this association follows the program of providing free subscriptions to The Shorthorn World, to the vocational agriculture classes, and county agents in the area.
